

2011 Young Investigator Travel Awards

Mission & Goals: In order to promote interest in the field of neuroimmune pharmacology and to recognize the excellent work being done by young investigators in this field, the Society provides Young Investigator Travel Awards (YITA) to trainees working with a SNIP Member and seeking funds to attend the annual Conference of the Society on NeuroImmune Pharmacology. Special thanks are due for support provided by the Conference Award, National Institutes of Health/National Institute on Drug Abuse, and to the generous contributions made by our other Sponsors.
